PROCEEDINGS OF THE General Assembly.

SENATE.

[From the Daily Telegram.]

WEDNESDAY, Mar. 23, 1871.

Senate called to order by President Warren, at 10, a. m.

HIGH COURT OF IMPEACHMENT.

Chief Justice Pearson appeared, and took the Chair of presiding officer at 11, a. m.

Forty-nine Senators present.

The Board of Managers, with their Counsel, attended by the members of the House of Representaitves, appeared and took seats.

The Chief Justice said unless objection is made the vote will now be taken.

Senator Jones gave notice that if any disturbance was made, he would move to clear the lobbies and galleries.

Mr. London, assistant clerk then reads

ARTICLE FIRST,

Art. 1. That by the Constitution of the State of North Carolina, the Governor of said State has power to call out the militia thereof to execute the laws, suppress riots or insurrection, and repel invasion, whenever the execution of the law shall be resisted, or there shall exist any riot, insurrection or invasion, but not otherwise; that William W. Holden, Governor of said State, unmindful of the high duties of his office, the obligation of his solemn oath of office, and the Constitution and laws of said State, and intending to stir up civil war, and subvert personal and public liberty, and the Constitution and laws of said State, and of the United States, and contriving and intending to humiliate and degrade the said State and the people thereof, and especially the people of the county of Alamance, and to provoke the people to wrath and violence, did, under color of his said office, on the 7th day of March, in the year of our Lord, one thousand eight hundred and seventy, in said State, of his own false, corrupt and wicked mind and purpose, proclaim and declare that the county of Alamance, in said State, was in insurrection, and did, after the days and times last aforesaid, send bodies of armed, desperate and lawless men, organized and set on foot without authority of law, into said county, and occupy the same by military force, and suspend civil authority, and the Constitution and laws of the State; and did, after the days and times last aforesaid, and before the time of impeachment in this behalf, through and by means of such armed, desperate and lawless men, arrest many peaceable and lawabiding citizens of said county of Alamance, then and there about their lawful business; and did detain, hold, imprison, hang, beat and otherwise maltreat and injure many of them, to-wit: Lucien H. Murray, George S. Rogers, William Bingham and others, when in fact and truth there was no such or any insurrection in said county of Alamance. And he, the said William W. Holden, Governor as aforesaid, well knew that such and said proclamation was groundless and false, and that there was no insurrection in said County, and that all civil authorities, both State and County, in said county, were peacefully and regularly in the full, free and unrestrained exercise in all respects, of the functions of their offices and the courts were all open, and the due administration of the law was unimpeded by any resistance whatsoever; whereby the said W. W. Holden, Governor as aforesaid, did then and there, and in the way and manner, and by the means aforesaid, commit and was guilty of a high crime in office against the Constitution and laws of said State, and the peace, interests and dignity thereof.

The Clerk then called "Senator Adams," (being the first on the list of Senators) whereupon the Senator arose in his seat.

Chief Justice: "Senator Adams, how say you? Is William W. Holden guilty or not guilty, as charged in this article?"

Senator Adams: "Guilty."

This question was propounded to each Senator in the manner above on each article of impeachment, the Senator answering "guilty" or "not guilty." The Chief Justice was under the necessity of propounding the same question three hundred and ninety-two times.

The ceremony of taking the vote was very impressive, and somewhat exciting, and the deepest interest was manifested in the case by the throng of spectators in the galleries and lobbies.

The following is the vote:

GUILTY.—Messrs. Adams, Albright, Allen, Battle, Brown, Council, Crowell, Currie, Dargan, Edwards, Graham of Alamance, Graham of Orange, Jones, Latham, Ledbetter, Linney, Love, Mauney, McClammy, Merrimon, Morehead, Murphy, Robbins of Davidson, Robbins of Rowan, Skinner, Troy, Waddell, Warren and Whiteside—30.

NOT GUILTY.—Messrs. Barnett, Beasley, Bellamy, Brogden, Cook, Cowles, Eppes, Flemming, Gilmer, Hawkins, Hyman, King, Lehman, McCotter, Moore, Norment, Olds, Price, Speed and Worth—19.

The Chief Justice announces that Wm. W. Holden is acquitted on this article.

The Clerk reads

ARTICLE SECOND.

Art. 2. That by the Constitution of the State of North Carolina, the Governor of said State has power to call out the militia thereof to execute the law, suppress riots or insurrection whenever the execution of the law shall be resisted, or there shall exist any riot, insurrection or invasion, but not otherwise. That William W. Holden, Governor of said State, unmindful of the high duties of his office, the obligations of his solemn oath of office and the Constitution and laws of said State, and intending to stir up civil war, and subvert personal and public liberty, and the Constitution and laws of said State and of the United States, contriving and intending to humiliate and degrade the said State and the people thereof, and especially the people of the county of Caswell in said State, and to provoke the people to wrath and violence, did, under the color of his said office, on the eighth day of July, in the year of our Lord one thousand eight hundred and seventy, in said State, of his own false, corrupt and wicked mind and purpose, proclaim and declare the county of Caswell, in said State, in insurrection, and did, after the days and times last aforesaid, send bodies of armed, desperate and lawless men, organized and set on foot without authority of law, into the said County and occupy the same by military force and suspend the civil authority and the Constitution and laws of the state, and did, after the days and times last aforesaid, and before the time of impeachment in this behalf, through and by means of such armed, desperate and lawless men, arrest many peaceably and lawabiding citizens of said County of Caswell, then and there about their lawful business, and did detain, hold, imprison and otherwise maltreat and injure many of them, to-wit: John Keer, Samuel P. Hill and others, when in fact and truth, there was no such or any insurrection in said County of Caswell, and he, the said William W. Holden, Governor as aforesaid, well knew that such and said proclamation was utterly groundless and false, and that there was no insurrection in said County of Caswell, and that all the civil authorities, both State and County, in said County, were peacefully and regularly, in the full, free and unrestrained exercise in all respects of the functions of their offices, and the Courts were all open and the due administration of the law was unimpeded by any resistance whatever; whereby the said William W. Holden, Governor as aforesaid, did then and there, and in the way and manner, and by the means aforesaid, commit and was guilty of a high crime in office against the Coustitution and laws of said State, and the peace, interest and dignity thereof.

and the following is the vote:

GUILTY.—Messrs. Adams, Albright, Allen, Battle, Brown, Council, Crowell, Currie, Dargan, Edwards, Gilmer, Graham of Alamance, Graham of Orange, Jones, Lathan, Ledbetter, Linney, Love, Mauney, McClammy, Merrimon, Morehead, Murphy, Robbins of Davidson, Robbins of Rowan, Skinner, Speed, Troy, Waddell, Warren, Whiteside and Worth.—31. NOT GUILTY.—Messrs. Barnett, Beasley, Bellamy, Brogden, Cook, Cowles, Eppes, Flemming, Gilmer, Hawkins; Hyman, King, Lehman, McCotter, Moore, Norment, Olds, Price and Speed—19.

The Chief Justice announces that Wm. W. Holden is acquitted on this article

The Clerk reads.

ARTICLE THIRD,

ART. 3. That the said William W. Holden, Governor of the State of North Carolina, on the fifth day of August, in the year of our Lord one thousand eight hundred and seventy, in the County of Orange, in said State, did then and there unlawfully, and without any lawful warrant and authority, and in defiance and subversion of the Constitution and laws of said State, and in violation of his oath of office, and under color of his said office, incite, procure, order and command one John Hunnicutt and other evil disposed persons to assault, sieze, detain and imprison and deprive of his liberty and privileges as a freeman and citizen of said State, Josiah Turner, Junior, a citizen and resident of the County of Orange in the State aforesaid, and in pursuance of said incitement, procurement, order and command the said John Hunnicutt and the evil disposed persons aforesaid, did assault, seize, detain, imprison and deprive of his liberty and privileges as a freeman and citizen of said County and State for a long time, to-wit: For the time of ten days and more, the said Josiah Turner Junior; whereby the said W. W. Holden, Governor as aforesaid, did then and there commit a high misdemeanor in office against the Constitution and laws of said State, and the peace, interests and dignity thereof.

and the following is the vote:

GUILTY—Messrs. Adams. Albright. Allen, Battle Brown, Cook, Council, Cowles, Crowell, Currie, Dargan, Edwards, Flemming, Gilmer, Graham of Alamance, Graham of Or., Jones, Latham, Ledbetter, Linney, Love, Mauney, McClammy, Merrimon, Moore, Morehead, Murphy, Norment, Robbins of Davidson. Robbins of Rowan, Skinner, Speed, Troy, Waddell, Warren, Whiteside and Worth—33.

NOT GUILTY.—Messrs. Barnett, Beasley, Bellamy, Brogden, Cook, Cowles, Eppes, Flemming, Hawkins, Hyman, King, Lehman, McCotter, Moore, Olds and Price—16.

The Chief Justice announces that Wm. W. Holden is convicted on this article.

The Clerk reads

ARTICLE FIFTH,

Art. 5. That the said Wm. W. Holden, Governor of the State of North Carolina, heretofore, to-wit: in the months of June, July and August, in the year of our Lord one thousand eight hundred and seventy, under color of his said office, unlawfully recruited, armed and equipped as soldiers, a large number of men, to-wit: five hundred men and more, and organized them as an army, and appointed officers to command, and use such armed men as he, the said Wm. W. Holden, Governor, under color of his said office, might from time to time order and direct; that during the said months of June, July and August, he, the said Wm. W. Holden, Governor as aforesaid, under color of his said office, placed a large number of said armed men under the immediate command and control of one Geo. W. Kirk as Colonel, aided by one B. G. Bargen as Lieutenant-Col., one H. C. Yates as Major, and sundry other persons as captains and Lieutenants, and sent such last mentioned armed men under the immediate command of G. W. Kirk, as colonel, B. G. Burgen as Lieutenant-colonel, H. C. Yates, as Major, and said sundry other persons as captains and lieutenants, into the county of Alamance, and by the procurement, order and command of him, the said W. W. Holden, Governor as aforesaid, under color of his said office, the said armed men last aforesaid, seized, held, detained and imprisoned in said county of Alamance, one Adolphus G. Moore, a peaceable and law-abiding citizen of said county, then and there engaged about his lawful business; that the said Adolphus G. Moore, being so seized, held, detained and imprisoned and deprived of his liberty, was then and there in the custody of the said George W. Kirk, acting as colonel, and commanding the armed body of men, last aforesaid, by the order, command and procurement of the said Wm. W. Holden: That the said Adolphus G. Moore being so seized, held and imprisoned and deprived of his liberty, made due application to the Hon. Richmond M. Pearson, chief-justice of the Supreme court of said State, as by law he might do, for the writ of *habeas corpus*, to the end, that he the said chief-justice, might duly enquire the cause of said seizure, detention and imprisonment, and deliver him from the same according to law. That the said chief-justice issued the writ of *habeas corpus* at the instance of the said Adolphus G. Moore, directed to the said George W. Kirk, commanding him forthwith to produce the body of the said Adolphus G. Moore, before him, the said chief-justice, at the chamber of the Supreme court in the city of Raleigh, in said State; that the said George W. Kirk was, on the 17th day of July, in the year of our Lord, one thousand eight hundred and seventy, in the county of Alamance, duly served, made no return of or to the same, as required with the said writ of *habeas corpus*; that he by law, and refused to produce the body of the said Adolphus G. Moore, before the chief-justice according to the exigency of said writ, avowing and declaring that he had made such seizure and detained and imprisoned the said A. G. Moore at the instance of and by the procurement, command and order of the said Wm. W. Holden, Governor as aforesaid, and would not produce the body of him the said A. G. Moore before the said chief-justice according to the exigency of said writ, unless compelled so to do by superior armed force, or by the express order and command of the said Wm. W. Holden, Governor as aforesaid; that such refusal of the said George W. Kirk to obey the said writ, was made duly to appear before the said chief-justice, whereupon the said chief-justice made epquiry of the said Wm. W. Holden, Governor as aforesaid, if he had ordered the said G. W. Kirk to so seize, detain and imprison the said Adolphus G. Moore; that the said Wm. W. Holden, Governor as aforesaid, made answer in substance, and to the effect, to said enquiry of said chief-Justice, that he had theretofore ordered and commanded the said G. W. Kirk to so seize, detain and imprison and deprive of his liberty the said Adolphus G. Moore, and that such seizure and detention was made by his order and command, whereupon the said chief-justice, upon due consideration, solemnly adjudged in substance and effect that according to the constitution and laws of said State, the privilege of the writ of habeas corpus was not suspended, and that the said G. W. Kirk and the said Wm. W. Holden, Governor as aforesaid, were in duty bound to bring and produce the body of the said Adolphus G. Moore before him the said Chief-Justice, according to the exigency of the said writ; yet the said W. W. Holden, Governor as aforesaid, unmindful of his most solemn oath of office, and his high duties as the Executive of said State, and contriving, and then and there intending to deprive the said Adolphus G. Moore of his liberty as a free citizen of said State, and to defy and subvert the constitution and laws of said State, declared that he had so ordered, and did still so order and commanded the said George W. Kirk not to obey the said writ so issued by the said Chief Justice, and then and there declared to

RUTHERFORDTON, N. C.

SATURDAY, APRIL 8, 1871.

The Convention Bill.

The democratic Legislature, without regard to Constitution, law or the will of the people, have again passed a bill to call a Convention. The present bill in substance, is the same as the bill that recently passed and failed because the Governor refused to order an election, except that it makes the Attorney General, Governor so far as calling the election is concerned, and ignores Gov. Caldwell, by refusing to allow him any finger in the pie. This is a bold strike on the part of the Ku Klux Legislature, and we predict will be the cause of new troubles in our State. Gov. Caldwell as Chief Executive of the State, we do not believe will sit with his hands folded, and allow the Constitution and laws of his State to be ignored and trampled under foot, and the National Government, with the light it has before it, knowing the revolutionary designs of the Ku Klux party in this State, cannot and will not, if called upon, refuse to protect the Constitution and laws of our state, from being overturned by this revolutionary party. We hope that the Governor will act firmly and promptly in the matter.

The Legislature.

The Legislature is still in session, and there is no prospect of their ever adjourning so long as they find money enough in the Treasury to pay their per diem. They have been in session over four months, at a cost of not less than *two hundred thousand dollars* to the people of the State,—and in the name of conscience we would ask what they have been doing that has, in any way, benefitted the people of the State?

We want the common people through the country, who remember so well the fair promises that were made by the members of this same Legislature, to *reduce* taxes, salaries and fees, and the expenses of running the State Government, and by *economy* save thousands of dollars for the poor people of the State, to note these facts down for future reference. If this is what they meant by *economy*, we know that the people have been deceived, for they did not so understand it. Instead of *reducing* they have *increased* the expenses of running the State Government; and not satisfied with that, they are determined to call a Convention at a cost of at least *one hundred thousand dollars*, thereby adding more weight to the burden already too heavy on the taxpayers of the State.

We should not be surprised, nor put out of *humor*, at the introduction in Congress of Ku-Klux bills, or threatened Shellabarger enforcement measures, when we find certain public agencies and instruments of Southern sentiment lending themselves to the establishment of the charges of an intolerable spirit of oppression and political persecution in the Southern people.

A member of the North Carolina Legislature declares in his place in the House of Representatives that a faithful, efficient, and we may say, indispensable officer in one of the charitable institutions of the State must be displaced, that the unfortunate under his charge shall be robbed of the care and attention he has so well and kindly bestowed upon them, simply because that officer was elevated to the position he holds, by the Republican party.

The organ of the Conservative party in North Carolina, refering to the same subject, says in so many words, "we have "turned out Holden, now let us turn out "Holden men." That is to say, then, Holden has been deprived of his office, not for any wrong he has done in office, but because he is a member of the Republican party, and was made Governor by Republican votes. Now is this so? Did party considerations furnish the reason for impeaching our Governor? Are the charges of Republican presses at the North true, that "loyal "Governors are impeached for no "other reason than their loyalty?"

We make the above extract from an editorial in the Raleigh *Telegram* of March 30th, and we are sorry to say that the questions asked by the *Telegram*, can be answered only in the affirmative. Now we do not propose to defend the course of Gov. Holden, but that "the reason why" he was impeached was mainly upon political grounds, we have not the slightest doubt, and that his fate was decided in secret meetings of the members of the *Invisible Empire*, before the articles of impeachment were introduced in the House of Representatives, we have but little doubt. We believe that, right or wrong, the whole aim of Josiah Turner and his followers, is to get rid of every officer in the State who is a Republican, in any manner that they can, without regard to honesty or fairness. They will impeach if the slightest cause is given, and if they cannot get rid of them that way, and they fail to get a Convention, by which means they expect to make a clean shucking of every Officer in the State, then they will resort to their Kuklux schemes of intimidating and it necessary *killing*, in order to get them out of office.

We say that there is abundant proof to satisfy all northern minds, that the property and lives of loyal men at the South are unsafe, and may add that the northern people know comparatively nothing as to the true state of society in the Southern States, the tale has not been told, half as bad as the true state of affairs will warrant.

The Enforcement Bill.

We publish in another column, the bill introduced in Congress by Mr. Shellabarger, known as the "Kuklux Bill."

The provisions of this bill, are strong and we think right, and from the feeling that seems to exist at present in Congress, we think there is but little doubt of the final passage of the bill.

Another Evidence.

The *Sentinel*, in speaking of the impeachment of Judge Jones, and his probable successor says:

"Hilliard, of Pitt, will probably be the successor of Judge Jones, by appointment from Gov. Caldwell. If he should be, the Legislature should sit long enough to impeach him for incompetency."

This is another evidence of the political prejudice that is harbored in the breasts of such men as Josiah Turner. We know nothing of the competency of Mr. Hilliard to fill the position of Judge, but if he is incompetent we suppose he will not be appointed, but if he was ever so competent, the disposition of the democrats towards him on account of his politics, would be just the same.

What does it mean?

We see a statement published in several of our exchanges, that a project is on foot looking to an alliance between the W. C. and Rutherford Railroad, and the Great Southern Railroad from Cincinnati to the Atlantic. It is also intimated that if this project is carried out, that our Road will be turned off at Lincolnton, and connect with the Western Extension at Hickory Station.

Now we want to know what this means? We thought when the present officers took charge of the road, that there was some hope of an honest and fair prosecution of the work until completed to this place, but it really begins to look like we have been deceived, and that there is to be no *honesty* or *fairness* about it; on the other hand we are to be treated with the same spirit of selfishness and *bad faith* on the part of our Eastern friends, that we have always received at their hands in our Railroad matters.

We will refer to this subject in our next issue, at length, and hope to be able to show the unjust and unfair results that will necessarily follow, if this proposed alliance is effected.

APRIL FOOL.—We acknowledged that Mr ——— played off on us the first instant. We were setting in our office calculating how much we owed our foreman and the Devil. We have got so poor that we can only afford to keep these in our office, and we had been reminded that a little flour was needed, that several other et cetras were pushing us, &c., when Mr. ——— handed us over pay for 3 years—$6! We were fooled—we were rich—and we came very near going to CHERRYVILLE and calling for ——— the whole "shebang!" Can't somebody else fool us?

From the Raleigh Telegram.

Decision of the Supreme Court in regard to Term of Office of Sheriffs.

State on the Relation of David Loftin vs. Jacob A. Bowers.

Pearson, C. J.—There are five cases at this term, called "The Sheriff Cases." The main question in all of these is, the term of office of the Sheriff elected at the first election under the present Constitution, but each presents certain special circumstances, making it necessary that each case differs in regard to the mode of constituting the proceeding. The purpose in all, however, is to get a decision upon the main question, and upon the effect of the special circumstances, without regard to the form of the proceedure—so, that matter will be passed upon with the remark, that the form adopted in this case, seems to us to be the proper one.

Art. 4. sec. 32 of the Constitution provides—"The officers elected at the first election held under this Constitution, shall hold the offices for the terms prescribed for them respectively, *next ensuing after the next regular election for members of the General Assembly.*"

The next regular election for members of the General Assembly is to be held on the first Thursday in August, 1870, (art. 2nd, sec. 29,) so the officers whose offices are provided for by article 4, elected at the first election held under the Constitution, are to hold their offices for the terms prescribed for them respectively, next ensuing after that date. These words are plain and positive, and admit of no other construction. There is no other section which conflicts with or can control this construction, and it will be observed the wording differs very materially from that in respect to members of the General Assembly. This conclusion, although no reason for an extension of the term of officers elected at the first election appears on the face of the Constitution, is enforced upon the court because it is so written. Our duty is to administer the law as it is, and not according to our notion as to how it ought to be. (See opinion of Chief Justice and Justice Dickson on the question of "tenure of office," at the request of the General Assembly, 64th N. C. Rep., appendix.)

The special circumstances relied on, do not, in our opinion, amount to a resignation, or to an abandonment, or to a forfeiture of his office on the part of the defendant, upon the facts provided for by His Honor, in the Superior Court, and for the reasons given by him.

This case is already distinguishable from Williams vs. Somers. Art. B. 61. In that case, the Court put no stress upon the fact that Mr. Williams was a candidate before the people, and the decision is put upon an implied abandonment of the office, by reason of certain acts after the election. That decision did not meet with full concurrence on the part of the profession, because the abandonment of the office by Mr. Williams was not considered to have been voluntary, but ought to have been ascribed to the pressure of circumstances induced by unconstitutional action on the part of the Legislature, which the presiding Judge was ready to enforce. But, however this may be, our case in no wise comes up to that, see Aderholt vs. McKee, at this term.

Judgment affirmed.

Legislation for the South.

A Bill more fully to enforce the provisions of the Fourteenth Amendment to the Constitution of the United States, and for other purposes.

Be it enacted &c., That any person who, under color of any law, statute, ordinance, regulation, custom, or usuage of any State, shall subject, or cause to be subjected, any person with the jurisdiction of the United States to the deprivation or any rights, privileges, or immunities secured by the first section of the fourteenth article of the amendments to the Constitution of the United States, shall, any such law, statute ordinance, regulation, custom, or usage of the State to the contrary notwithstanding, be liable to the party injured in an action at law, suit in equity, or other proceeding for redress; such proceeding to be prosecuted in the several District or Circuit Courts of the United States, with, and subject to, the same rights of appeal, review upon error, and other remedies provided in like cases in such courts, under the provisions of the act of April 9, 1866, and the other remedial laws of the United States which are in their nature applicable in such case.

Sec. 2. That if two or more persons shall within the limits of any State, band, conspire, or combine together to do any act in violation of the rights, privileges, and immunities of any person to which he is entitled under the Constitution and laws of the United States, which, if committed within a place under the sole and exclusive jurisdiction of the United States, would under any law of the United States there in force constitute the crime of either murder, manslaughter, mayhem, robbery, assault and battery, perjury, subornation of perjury, criminal obstruction of legal process or resistance of officers in discharge of official duty, arson, or larceny, and if one or more of the parties to said conspiracy or combination shall do any act to effect the object thereof, all the parties to or engaged in said conspiracy or combination, whether principals accessories, shall be deemed guilty of a felony, and upon conviction thereof shall be liable to a penalty of not exceeding $10,000, or to imprisonment not exceeding ten years, or both, at the discretion of the court: Provided, That if any party or parties to such conspiracy shall, in furtherance of such common design, commit the crime of wilful murder, such party or parties so guilty shall, upon conviction thereof, suffer death: And provided also, That any offence punishable under this act, begun in one judicial district of the United States and completed in another, may be dealt with, inquired of, tried, determined, and punished in either district.

Sec. 3. That in all cases where insurrection, domestic violence, or unlawful combinations or conspiracies in any State shall so far obstruct or hinder the execution of the laws thereof as to deprive any portion or class of the people of such State of any of the rights, privileges, or immunities named in and secured by this act, and the constituted authorities of such State shall either be unable to or shall from any cause fail in or refuse protection of the people in such rights, and shall fail or neglect, through the proper authorities, to apply to the President of the United States for aid in that behalf, such facts shall be deemed a denial by such State of the equal protection of the laws to which they are entitled under the fourteenth article of amendments to the Constitution of the United States; and in all such cases it shall be lawful for the President, and it shall be his duty, to take such measures, by the employment of the militia or the land and naval forces of the United States, as he may deem necessary, for suppressing such insurrection or domestic violence; and any person who shall be arrested under the provisions of this and the preceeding section shall be delivered to the marshal of the proper district, to be dealt with according to law.

Sec. 4. That whenever in any State or part of a State the unlawful combinations named in the preceding section of this act shall be organized and armed, and so numerous and powerful as to be able by violence to either overthrow or set at defiance the constitutional authorities of such State, or when the constitutional authorities are in complicity with or shall connive at the unlawful purposes of such powerful and armed combination, and whenever, by reason of either or all of the causes aforesaid, the conviction of such offenders and the public safety shall become in such district impracticable, in every such case such combinations shall be deemed a rebellion against the government of the United States, and during the continuance of such rebellion, and within the limits of the district which shall be so under the sway thereof, such limit to be prescribed by proclamation, it shall be lawful for the President of the United States, when in his judgment the public safety shall require it, to suspend the privileges of the writ of *habeas corpus*, and to declare and enforce, subject to the rules and articles of war, and other laws of the United States now in force and applicable in case of rebellion, martial law, to the end that such rebellion may be overthrown: *Provided*, That the President shall have made proclamation, as now provided by law, commanding such insurgents to disperse: *And provided also*, That the provisions of this section shall not be in force after the first day of June A. D. 1872.

Sec. 5. That nothing herein contained shall be construed to supersede or repeal any former act of law, except so far as the same may be repugnant thereto; and any offences heretofore committed against the tenor of any former act shall be prosecuted, and any proceeding already commenced for the prosecution thereof shall be continued and completed, the same as if this act had not been passed, except so far as the provisions of this act may go to sustain and validate such proceedings.

ALL FOOLS DAY.—As no doubt very few of our readers understand when and where the custom of fooling people on the 1st day of April originated, our Devil suggests that they read the third verse of the 117th Psalm, where, he says, they will find the whole history of April fools.

SPECIAL NOTICES.

An Enemy to Health and Happiness

Dyspepsia not only destroys health, but it banishes happiness from the family. A Dyspeptic is not only unhappy himself, but he makes all around him unhappy. Dr. TUTT'S VEGETABLE LIVER PILLS is a certain remedy for it.

Don't Suffer your hair to fall off when a bottle or two of Nature's Hair Restorative will check it. Splendidly perfumed and as clear as crystal. All wide awake druggists sell it. See advertisement.

Bear in Mind.

When disease has undermined the health, and the physical system has become prostrated a stimulant that will not only strengthen, but remove the cause, should be immediately resorted to. Mental distress is also a fruitful source of the breaking down of the constitution, and the ravages of this enemy to health are truly alarming. For all such maladies Hostetter's Stomach Bitters have been found unsurpassed. By acting directly upon the digestive organs, they remove the heavy, disagreeable feeling after eating, so often complained of by persons of a delicate temperament. As soon as digestion is restored, the patient finds his strength increasing, and his general health improved.

Thousands of persons certify that it may be relied on in all cases of weakness or nervous debility attendant upon sedentary habits. The generality of Bitters are so disagreeable to the taste that they are objectionable to a weak stomach. This is not the case with Hostetter's Bitters, which will be found mild and extremely pleasant. Balsamic plants, barks and roots contribute their restorative juices to render it soothing and strengthening. Its basis is the only pure stimulant which has ever been produced, containing no *fusel oil*, or any other delerious element. The most careful and skilful chemists have analyzed the Bitters, and pronounce them harmless. This is scientific testimony of the hundreds of thousands who have experienced the preventive and curative effects of the Great Vegetable Tonic and Alterative of modern times is still more conclusive. In Fever and Ague, Dyspepsia, Billiousnes, Nervous Complaints, Chronic Complaints and general debility it is as nearly infallible as anything in this infallible world can be. apr.

WALTHAM WATCHES.

The extensive use of these watches for the last fifteen years by Railway Conductors, Engineers and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these time-keepers.

More than 500,000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enables them to produce watches at a price which renders competition futile, and these who buy any other watch merely pay from 25 to 50 per cent. more for their watches than is necessary.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watch-making originating in this country or in Europe, only those were finally adopted which severe testing by the most skilful artisans in our works, and long use on the part of the public, demonstrated to be essential to correct and enduring time-keeping.

Among the many Improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main-springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Dogg's patent pinion as being the best and faultless.

Hardened and tempered hair-springs, now universally admitted by Watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust, and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch is already a decided success, and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mentioned improvements which tend to ensure accuracy, cleanliness, durability and convenience, must prove invaluable.

The trademarks of the various styles made by the Company are as follows:

American Watch Co., Waltham, Mass.
Am'n Watch Co., Waltham, Mass.
American Watch Co., Crescent St., Waltham, Mass.
Appleton, Tracy & Co., Waltham, Mass.
American Watch Co., Adams St., Waltham, Mass.
Waltham Watch Co., Waltham, Mass.
P. S. Bartlett, Waltham, Mass.
Wm. Ellery, Waltham, Mass.

Examine the spelling of these names carefully before buying. Any variation even of a single letter, indicates a counterfeit.

SUPERIOR COURT.—Last week was Superior Court at this place. The attendance was large on Monday, but as most of our farmers had business at home, the remainder of the week there were but few present. On the State docket, as on the civil, there was not a great number of cases disposed of. The following is the disposition made of the most important cases:

State vs. Michael Dickey, Larceny—Nol pros entered.

State vs. Lewis H. Fhay, Assault and Battery, with deadly weapon—Removed to McDowell County.

State vs. Allen Owens, Assault and Battery, with deadly weapons on his wife and family—Judgment suspended.

State vs. A—— McCurry, concerning birth of child—Sentenced to six months in Jail.

State vs. John McEntire and Jane Warren, Fornication and Adultery—Judgment suspended.

No cases on the civil docket requires any notice, being only for matters the general public would not be interested in.

The Bar was well represented by the legal fraternity. From Lincolnton, we had Gen. J. F. Hoke, Col. W. P. Bynum, and W. S. Bynum, from Shelby, Maj. H. D. Lee, Plato Durham and H. Cabaniss; from Morganton, B. S. Gaither and John Gray Bynum. Resident Lawyers—J. L. Carson, L. F. Churchill, M. H. Justice, G. M. Whiteside, J. M. Justice, R. W. Logan, James Morris and G. W. Suttle.

Judge Logan was on hand Monday morning, and discharged his duties until the close of the term with his usual promptness and legal ability.

More Ku-Klux.

Notwithstanding the cries of the people against the hideous crimes of the Ku-Klux Klan, and notwithstanding that appeal after appeal has been made to the so-called Conservative party, to aid in stopping them in their outrageous crimes, yet instead of stopping they are daily increasing in numbers, and the committing numberless crimes of the most cruel nature. We are informed, and have but little doubt of the fact, that hundreds were initiated into the Ku-Klux Klan during our Court last week, in this county, and that the officiating officers who conducted the initiation were *leaders* of the *Democratic party* of this county and of the county of Cleaveland.

We are at a loss to know what will be the final result of the present state of affairs, but we can only imagine a very dark future for our country.

Republican Meeting in Polk.

At a meeting of the Republicans of Polk county, held in Columbus, on the 21st March, the following proceedings were had.

On motion, Jesse Rhodes, Esq. was called to the chair, and S. Waldrop, Esq., requested to act as Secretary.

On motion, a committee of six were appointed by the chair to draft resolutions for the action of the meeting, consisting of N. J. Hollefield, N. B. Hampton, G. B. Arlege, Levi Bishop, John Jackson, and the Secretary.

During the absence of the committee, Phillip Justice, Esq., being called on, addressed the meeting in a short but forcible manner.

The Committee returned and offered the following resolutions which were unanimously adopted:

WHEREAS, The recent act of the General Assembly, proposing to submit the question of calling a Convention to the people, was passed by a bare majority, and did not receive a two thirds vote of all the members of each House, and

WHEREAS, Gov. Caldwell refused to call an election under said Act, upon the ground that it was not passed by a two thirds vote, as required by the Constitution, and

WHEREAS, Numerous and lawless outrages are being committed in all parts of our State, by bands of men going through the country in disguise, and known as the Ku Klux Klan, therefore,

Resolved, 1. That we believe the Act of the General Assembly known as the "Convention Act," to be unnecessary, unwise and unconstitutional.

Resolved, 2. That we heartily endorse the action of Gov. Caldwell in refusing to call an election under said Act, as wise and patriotic, and deserving of the thanks of the whole people of the State.

Resolved, 3. That we heartily approve of the firm and manly course of our wor by Representative in the General Assembly, Mr. Garrison, and that we condemn the course of our Senator, G. M. Whiteside, Esq., as unwise, and wholly inconsistent with his promises to the people, when a candidate last summer.

Resolved, 4. That the Proceedings of this meeting be sent to the Rutherford STAR for publication, and that the Asheville *Pioneer* be requested to copy.

On motion, the meeting adjourned. JESSE RHODES,
Chairman.

S. Waldrop, Sec'y.

As an evidence of the magnanimity of the Republican party, it is only necessary to say that there are no less than seventeen ex-Confederate officers members of the present House of Representatives. We give the credit of magnanimity to that party, for it has legislated so as to secure this result. We believe that no parallel case can be produced in the history of the whole world. Think of it! Six years ago, these men who now hold seats of honor in the councils of the Nation, were endeavoring, at the head of armed columns, to destroy the nation.

Fifteen of these members are Democrats, and two only—Messrs. Whiteley and Hays—Republicans. Is not this a sufficient answer to all the Democratic argument, that none but opponents of the Republican party are considered loyal and true to-day?

The names and rank of the members referred to are as follows: P. M. B. Young, Georgia, major general; Joseph Lewis, Kentucky, brigadier general; D. W. Du Bose, Georgia, brigadier general; William Terry, Virginia, brigadier general; A. W. Waddell, North Carolina, brigadier general; J. M. Leach, North Carolina, colonel; R. T. W. Duke, Virginia, colonel; E. M. Braxton, Virginia, major; A. T. McIntyre, Georgia, colonel; Wm. P. Price, Georgia, captain; W. A. Handley, Alabama, captain; Joseph H. Sloss, Alabama, major; Edward Crossland, Kentucky, colonel; E. I. Golladay, Tennessee, colonel; R. H. Whiteley, Georgia, major; Charles Hays, Alabama, captain.—*Wash. Chronicle.*

THE Evil One and the Democracy both have established a world-wide reputation for a certain kind of shrewdness if not for far-sightedness. But we think the Kuklux Democracy of North Carolina surpass any of their compatriots, for they use even the virtues of their political opponents to crush them. Having stated their resentment toward Governor Holden, they now turn to smaller game. First in order comes the Hon. E. W. Jones, judge of the 2d judicial district. Jones' principal offense appears to be that he on several occasions, to speak plainly, got drunk, which was the normal condition, we are told, of a majority of office-holders in the "Old North State" in olden times, *i. e.*, before the days of carpetbaggers and scallawags, so-called; but being rare with the modern Republicans, the offense attracts general attention. Indeed, the degree of the crime is changed from a venal to a mortal sin.

Jones has been impeached, and, as if not satisfied with this, the shrewd Kuklux select as chairman of the managers—who? Why, a high-toned Republican named Phillips, whose moral sensibilities are shocked at the bare mention of an impropriety! The accused will be convicted, of course; it will sound so impartial to the world that the chairman of the committee of managers was a personal and political friend of the victim! It does not affect the case that ninety-nine out of every one hundred of the Democrats who ever held office in the State were liable to be impeached for the same offense, the Republican party must be made the scapegoat.

Judge Jones deserves the condemnation of all ex-Confederates; for, though a native of North Carolina, he was always true to the flag, for which offense he was, during the war, dragged in irons through the streets of Raleigh, and thrust into the pest-house prison at Salisbury. Indeed every imaginable indignity was heaped upon him by his persecutors. —*Wash. Chronicle.*

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,

Hundreds of Thousands
Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic possessing the Aperient, Diuretic, and Counter-Irritant properties of all other Bitters, but no Cathartic or Purgative Medicine can be a healthy Tonic; for Purgatives weaken the system by carrying off its fluids. Tonics impart strength by promoting the digestion and assimilation of the food, the Blood, and all the Vital Fluids of the system. Vinegar Bitters is a gentle Purgative and a pure Tonic, containing the best remedial qualities of all other Bitters, and is the only Tonic Medicine that does not contain Alcohol.

THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the system, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which form the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.

From the Raleigh Telegram.

A Plaintive Appeal.

The following plaintive and moving appeal, in ballad form, has been circulating at the Capitol for the past few days, and has doubtless had its effect in precipitating the early adjournment of the Legislature:

A WIFE TO HER HUSBAND IN THE LEGISLATURE.

Air—"Father, Come Home."

Husband, dear husband, come home to me now,
From Raleigh and the State House so warm;
'Tis lonely without you why do you not come,
And see to the things on the farm?
You told me when you were elected last fall,
If I would once let you go,
You'd surely return before March was past,
And I really believed 'twould be so.
Come home! come home! come home!
Dear husband, kind husband, come home.

Husband dear husband, come home to me now,
Come home e'er the spring time is through;
The old brindle cow has got a white calf,
And the young lambs are bleating for you;
The hens have been sitting a fortnight or more,
They soon will be off with their broods,
The old speckled turkey has stolen her nest
Away in the brakes of the woods.

Husband, dear husband, come home to me now,
The garden needs spading for peas,
The boys should be mending the fence in the lot,
And you should be trimming the trees,
When will you get through with bills and resolves
Stop talking of Holden and strife,
Of railroads and yankees and other such things,
And tend to your dear little wife?

Husband, dear husband, don't write to me more,
Of money you've made on the sly,
Nor dinners you eat at Pat Nolan's and Thiem's
Nor how boldly your colleagues will lie.
Yes, hurry back home, your Sallie is sad,
Her heart is so honest and true;
All winter she's slept in her chamber alone,
And say, dearest husband, have you?

Husband, dear husband, come home to me now,
Come home while the birds sing so gay;
And let not the smiles in the gallery there
Distract you or tempt you to stay.
The voice of your Sallie is calling you now,
Come home, dearest joy of my life,
I'm getting quite nervous about you, come home,
Come home to your dear little wife.

SALLIE ANN.

MADAME DELACHAMPS
Alone in a Mountain Gorge

Snugly ensconsed amid the wilds of one of the Middle States, lived Madame Delachamps, many years ago, with no known protector, save a faithful dog that ever stood beside her to defend in time of need. Her small, moss-covered cabin, wrapped with wild-rose and honeysuckle, appeared hid away by a cluster of undergrowth, and closely environed on the north and east by a deep, craggy ravine that led away back to the mountain gorge.

Here, sniffing the ambient air, wafted from nature's green sward clinging to the mountain side, bathing her brow in early morn's gentel dewdrop, she lived solitary and alone for many long years. The catamount's unearthly midnight yell, and the wolf's doleful howl, frequently aroused her from pleasent midnight slumbers.

Now and then she would emerge from her unknown home and mingle with the inhabitants around about for one or two months at a time. She was eccentric in her acts and all viewed her as a living curiosity.

While from home, she apparently had but one object, and that was the relief of her afflicted sex. Under a belt on her side could be seen an oldfashioned drik of considerable size, carried for her own protection, while strampped across her shoulder was suspended a curious sack made from the

Skins of Rabbits and Raccoons

Arranged in alternate strips. This bag contained some old parchment, curious relics, a few light garments, and a smaller sack containing a *course powder* made from certain roots known only to herself, the secret to which she clung to as with the tenacity death. She sallied frth from he wild mountain home, to act the Good Samaritan, with this unknown vegetable power which she claimed possessed a wonderful power over all Diseases incident to the female sex. She termed it "womb physic," with which she proposed to cure all affections and derangements of that organ, and kindred complaints *free of charge*. With such singular magic did she relieve all who applied, that within a few years her name and fame became known far and wide, and hundreds of suffering females applied for relief and returned to their homes healthy and happy. Many were anxious to know her great secret, and large sums of money were offered if she would divulge it—but she stubbornly refused.

During her solitary life, she became intimate with only one woman, a noted mid wife some miles distant, to whom she promised to

Divulge the Secret

Before dying. In a few years, as the sombre shades of night began to close around her tottering frame, she imparted this great secret to this friend.

* * * * * *

She too gained quite a reputation for relieving the suffering of her sex, and strange it may appear—she scarcely ever failed to cure those old *chronic* female complaints that had resisted all ordinary modes of treatment. Many years ago, the writer of this, while engaged in the Practice of Medicine, by a little strategy, succeeded in procuring the secret of this wonderful vegetable Regulator, which had never been konwn to the Medical Profession.

He gave it a fair impartial trial in the treatment of various forms and stages of female complaints with such decided satisfaction, that in 1860 he called public attention to its virtues in

"Gross' Medico Chirurgical Review."

Combined with other known vegetable Tonics, having great power over the uterine organs; with Black Root to act upon the Liver and Bowels, and Soluble Citrate of Iron to correct the blood, he has formed a wonderful combination for the cure of all Female Complaints, considering it the only Female Regulator known, and now offers this valuable compound to the afflicted female, under the name of

English Female Bitters.

The Medical Profession at large, have long felt the need of just such a medicine, consequently it is not strange that they so eagerly prescribe and recommend these Bitters to their female patients.

If you could see the pile of smilling approvals and encomiums from physicians and the public who have cured their wives, their daughters and their friends, by the use of these Bitters, no sickly female would hesitate to use them. This Female Regulator is adapted for old, young, married or single females who scatter chronic forms of Uterine derangements. They cure painful, suppressed, scanty, profuse or irregular Menstruation, chlorosis or Green Sickness, Albus or Whites, Hysterics, Falling of the Womb, Ulceration and Irritability of the Womb, pain in the side back or loins, sick Headache, palpitation or fluttering of the Heart, hurried Breathing, swimming of the Head, cold Feet and Hands, loss of Appetite, Indigestion, Wakefulness, Barrenness, physical Prostration, ect., ect. Many of these are relieved by the use of only one bottle.

The Liver and Stomache

Are thoroughly aroused and restored to a healthy action, by the use of these Bitters. Its peculiar Iron and Vegetable combination, places it far ahead of any similar preparation before the public.

Females, later confinement and convalescents from any debilitating complaint, who remain weak and feeble, with little or no appetite, are at once aroused and strengthened by their use. As a *Family Tonic* for men, woman and children, it has no equal. One tablespoonful contains more medical properties, than one bottle of any of the common and pleasant "dilute alcohol" bitters, to be found all over the country. When the manufactures of the common beverages of the day say they cure all diseases, they well know they are "pulling the wool" over your eyes, and laugh at your stupidity in being so easily humbugged whenever the article smacks of whisky. If you really desire a valuable Iron and Vegetable Tonic for yourself and family, one bottle of E. F. B. will last longer and do more good than one dozen of the ordinary "grog shop" bitters, as one tablespoonful in water, is sufficient for a whole family. As

A Female Regulator,

it has no equal on this continent, acting powerfully and promtly in all cases, were no organic lesion exists. It is just the medicine for young girls, who have some difficulty in retaining the bloom on the cheeks, and who do not feel exactly right. For the mother at the "change of life," it soothes and quiets until the critical period is passed, as sweetly as if enjoying the brightest beams of opal ray, flitting thorugh the air of oriental climes.
